

Munden Enterprises is please to announce that Colin Day has been promoted to Inside Sales Manager.

Having been with the organization for the past five and half years Colin has been an integral part of our team with a particular focus on vendor and client management.

In this new role, Colin will remain a strong part of our sales organization in addition to focusing on the development of our inside sales team and customer satisfaction.

Congratulations on the new opportunity!

To begin working with Colin, please see below details or visit us at www.munden.ca
