FOR IMMEDIATE RELEASE

Éclairage Hi-Tech to Represent CSC LED for the Province of Québec

CAMBRIDGE, Ontario, November 23rd, 2020 - CSC LED is thrilled to welcome Éclairage Hi-Tech as their new Sales Agent for the province of Québec.

With over 30 years in the industry, Hi-Tech is dedicated to the conception and supply of complete lighting solutions targeted to many different markets including commercial, industrial, urban, sports, and institutional projects.

"We are extremely pleased to have teamed up with Éclairage Hi-Tech in Quebec. With full coverage of the province, we are convinced our brand will be well represented by the accomplished lighting professionals at Hi-Tech. Their enthusiasm and company ideology fits well with our customer-centric business model."

- Jennifer Eastman, LC - National Sales Manager, CSC LED

Philippe Goyet (President and Co-Owner of Éclairage Hi-Tech), can be reached by email at pgoyet@eclairagehitech.com or by phone at (450) 442 - 7604 (ext.101).

CSC LED is a leading manufacturer of high quality, affordably priced, commercial and industrial LED lighting and has warehouses in both Cambridge, Ontario, and Port Coquitlam, BC. CSC LED sells to the electrical wholesale market and does not sell direct to contractors/end users. CSC LED is known in the industry for their outstanding customer service, technical knowledge and support, and fast turn around times with free nationwide delivery to most branch/site locations.
